

Ejercicios de voz pasiva en inglés

Nivel: B1

Cómo funciona la voz pasiva

Usa la voz pasiva cuando la acción o el resultado importa más que quien la realiza. Pon *be* en el tiempo correcto y añade el participio pasado.

Presente simple: *am/is/are* + participio pasado: *The rooms are cleaned every day.*

Pasado simple: *was/were* + participio pasado: *The rooms were cleaned yesterday.*

Agente: Añade *by* solo si saber quién hizo la acción aporta información: *The picture was painted by my aunt.*

Mantén el tiempo: Al pasar de activa a pasiva, conserva el tiempo presente o pasado; el objeto pasa a ser el sujeto.
