

Ejercicios de for y since en inglés

Nivel: B1

For para duración; since para punto de inicio

Usa *for* con un periodo de tiempo y *since* con el momento en que empezó. Ambas palabras pueden describir una situación que comenzó en el pasado y continúa ahora.

Duración: *For* + periodo de tiempo: *for two hours, for three years, for a long time.*

Punto de inicio: *Since* + momento inicial: *since Monday, since 2020, since I moved here.*

Presente perfecto: Usa *have/has* + participio pasado para algo que empezó antes y sigue ahora: *I have lived here for five years.*

Pregunta: Pregunta *How long...?* para conocer la duración: *How long have you lived here?*

Comprueba: Una fecha o un acontecimiento es un punto, no una duración: *since 2020*, no *for 2020*.
