

Dos mascotas, dos personalidades

Nivel: A2

Lee sobre mis dos mascotas, un gato y un perro, y responde a las preguntas.

Lectura

I have two pets, a cat and a dog. The cat is called Misty and the dog is called Rocky. They are very different. Rocky is bigger and faster than Misty. He is the biggest dog on our street. Misty is small, but she is very clever.

Rocky is friendlier than Misty. He loves people and he is never shy. When a visitor comes, he is very excited. Misty is quieter and calmer than Rocky. She is too shy to meet new people, so she hides under the sofa.

Rocky is more active than Misty, but he is sometimes too noisy. Misty is lazier. She sleeps on my bed all afternoon.

Both pets make me happy in different ways. Rocky gives me a lot of energy. Misty makes me relaxed when I am sad or stressed. In my opinion, a dog is more fun than a cat. But I think a cat is easier to have in a small flat. Misty is the most peaceful animal in the house, and I love them both.
