Lectura

I love travelling, but I have not been to many places. I have been to Portugal, but I have never been to Asia. I have never flown in a helicopter, and I have never travelled by ship. My brother has been to nine countries, so he often gives me advice.

Last year, I took my first trip abroad. I went to Lisbon with my sister in May. We took a taxi to the airport and flew there in two hours. The hotel was near the beach, and we walked there every morning. On Monday, we got lost, but a kind driver showed us the way. We rode a yellow tram and ate fresh fish at a small restaurant. It rained on our last day, so we visited a museum.

On the plane home, I wrote a postcard to my mother. Now I want to go back to Portugal. This year, I have already saved some money for a new trip. Next, I want to visit Japan.
