Lectura

Last Saturday, I visited a big city for the first time. I had breakfast at my hotel, and then I looked at my map. I did not know the way to the museum, so I asked a woman at the bus stop. She was very kind. First I went straight, and then I turned left at the bank. The museum was next to the library.

I stayed there for two hours because I liked the old pictures. After that, I walked to the park and sat under a big tree. It was warm, but there were a lot of people. At one o'clock, I was hungry.

I went into a small café near the park. I wanted a sandwich, but they did not have any, so I ordered a bowl of soup and some bread. The soup was hot and tasty, and the waiter was friendly. After lunch, I bought a postcard for my mother and took a bus back to the hotel. At the end of the day, I was tired. However, I was happy.
