

Pasado de write en inglés: wrote y written

El verbo write es irregular. Usa wrote para una acción terminada en el pasado. Usa written después de have o has, como en I have written an email.

Base	write
Pasado	wrote
Participio	written
3rd person / -ing	writes / writing

Ejemplos

I write a short email every morning. — La expresión every morning indica una rutina, así que se usa write.

We write our names at the top of the page. — La forma write se usa con we, you, they e I.

She wrote a letter to her grandmother. — La forma wrote expresa una acción terminada; no necesita have.

He wrote down my phone number. — La expresión write down significa anotar algo en papel para recordarlo.

I have written three messages today. — Después de have, el participio es written, con dos letras t.

The teacher has written the date on the board. — La expresión has written conecta la acción con el presente: la fecha está ahí.

Notas

¿Wrote o written? La forma wrote va sola: She wrote a note. La forma written necesita have, has o had: She has written a note. El mismo patrón sirve para drive, ride y take.

Write to, write down En inglés americano se puede decir write a friend, pero write to a friend también es correcto y es la única forma en inglés británico. La expresión write down significa anotar.

Errores frecuentes

I have wrote a postcard. → I have written a postcard. — Después de have se usa el participio written, no el pasado wrote.

She writed a song last night. → She wrote a song last night. — El verbo write es irregular: su pasado es wrote, nunca writed.

Soluciones

Elige la forma correcta

1. wrote — La palabra yesterday indica un momento pasado y terminado: usa wrote.
2. written — Después de has se usa el participio written.
3. write — La expresión every day describe una rutina presente: they write.
4. wrote — Con last night usa wrote; la forma written necesita have o has.

Escribe la forma que falta

1. written — El auxiliar have más participio da have written.
2. wrote — La expresión last week exige el pasado simple wrote.
3. write — Un hábito en presente usa write.

Corrige el error

1. written — Después de has se usa written, no wrote.
