

Exercícios de conectores de contraste em inglês

Nível: B1

Nome: _____ Data: _____

Escolha o conector pelo que vem depois

Na estrutura completa ensinada aqui, *although* introduz sujeito e verbo. *Despite* introduz substantivo ou forma em *-ing*. *However* conecta duas afirmações independentes. Também existem orações reduzidas com *although*.

Although + oração: *Although it was raining, we went out.* Nessa estrutura, há sujeito e verbo depois de *although*.

Despite + substantivo: *Despite the rain, we went out.* Depois de *despite*, há um grupo nominal.

Despite + -ing: *Despite feeling tired, she finished the race.* Uma expressão em *-ing* pode vir depois de *despite*.

However + frase: *It was raining. However, we went out.* Aqui *however* introduz uma afirmação contrastante.

Sem of: Use *despite the rain*, não *despite of the rain*. *In spite of* também é correto, mas é outra expressão.

Exercício 1: Escolha o conector

Escolha o conector adequado à gramática e à pontuação.

- ___ it was raining, we walked to school.
a) Although b) Despite c) However
- ___ the rain, we walked to school.
