

Exercícios de discurso indireto em inglês

Nível: B1

Nome: _____ Data: _____

Conte o que alguém disse

O discurso indireto transmite o que alguém disse. Depois de *said* ou *told* no passado, geralmente recuamos um tempo verbal e adaptamos pronomes e expressões de tempo.

Afirmações: *I am tired* → *She said (that) she was tired*. *That* é opcional.

Tell: Use *told* com uma pessoa: *She told me that she was tired*. Use *said* sem pessoa logo depois: *She said that she was tired*.

Mudança de tempo: Presente simples → passado simples; presente contínuo → passado contínuo; *will* → *would*; *can* → *could*.

Tempo e lugar: Ao relatar mais tarde, *today* pode virar *that day*, *tomorrow* pode virar *the next day* e *here*, *there*.

Perguntas: Depois de *asked*, use ordem afirmativa: *Where do you live?* → *She asked where I lived*. Nesse padrão, retire *do* e o ponto de interrogação.
