

Exercícios de for e since em inglês

Nível: B1

Nome: _____ Data: _____

For para duração; since para início

Use *for* com um período de tempo e *since* com o momento em que ele começou. Ambos podem descrever uma situação iniciada no passado que continua agora.

Duração: *For* + período: *for two hours, for three years, for a long time.*

Ponto de início: *Since* + momento inicial: *since Monday, since 2020, since I moved here.*

Present perfect: Use *have/has* + particípio passado para algo que começou antes e continua agora: *I have lived here for five years.*

Pergunta: Pergunte *How long...?* para saber a duração: *How long have you lived here?*

Confira: Uma data ou acontecimento é um ponto, não uma duração: *since 2020*, não *for 2020*.
