

Exercícios de Present Perfect Continuous em inglês

Nível: B1, B2

Nome: _____ Data: _____

Como funciona o present perfect continuous

O *present perfect continuous* (have/has been + -ing) destaca a duração ou o caráter contínuo de uma atividade que começou no passado e continua até agora — ou acabou de parar pouco antes de agora.

Formação: have/has been + verbo-ing: *I have been waiting, she has been working*

Duração até agora: *How long...? for, since: We've been living here for ten years.*

Atividade recente, resultado visível: *You're out of breath — have you been running?*

Frente ao perfect simple: o *continuous* destaca a atividade/duração; o *simple* destaca o resultado/a quantidade: *I've been reading all day vs. I've read 200 pages*

Verbos de estado: com *know, like* e *believe*, usamos o *perfect simple* em vez do *continuous*: *I have known her for years.*
