

Passado de go em inglês: went e gone

O verbo go é irregular. Use went para uma ação concluída no passado. Use gone depois de have ou has para indicar que alguém foi a algum lugar.

Base	go
Past	went
Past participle	gone
3rd person / -ing	goes / going

Examples

I go to school by bus. — No presente, use go com I, you, we e they.

We go to the park on Sundays. — Aqui, go descreve uma atividade habitual.

She went home after lunch. — Went é passado simples e não precisa de have.

They went to the cinema yesterday. — Yesterday indica uma ação concluída.

Dad has gone to the shop. — Has gone pode indicar que a pessoa saiu e ainda está fora.

They have gone to the station. — Eles saíram e talvez ainda estejam na estação.

Notes

Gone ou been? She has gone to the shop indica que ela foi à loja e ainda está fora. She has been to the shop indica que ela foi e voltou.

Go to, mas go home Diga go to school e go to work, mas go home, sem to.

Common mistakes

I goed home. → I went home. — O passado de go é went, nunca goed.

She has went to work. → She has gone to work. — Depois de has, use o particípio gone.

Answer key

Escolha a forma correta

1. went — Last Saturday indica um momento concluído; use went.
2. gone — Depois de has, use gone.
3. go — Every day indica uma rotina atual: I go.
4. went — Com yesterday, use went. Gone precisa de have ou has.

Escreva a forma que falta

1. gone — O auxiliar have seguido do particípio forma have gone.
2. went — Yesterday pede o passado simples went.
3. go — Em uma rotina atual, use go.

Corrija o erro

1. gone — Depois de has, use gone, e não went.
