

Passado de say em inglês: said

O verbo say é irregular. Seu passado e seu particípio são said. A grafia sayed não existe.

Base	say
Past	said
Past participle	said
3rd person / -ing	says / saying

Examples

I say hello to my neighbors every day. — Para um hábito diário, use a forma básica say.

Please say your name slowly. — Depois de could, use a forma básica say.

She said goodbye and left. — Said é o passado de say.

He said the shop was closed. — Said pode introduzir o que alguém falou.

I have said sorry many times. — Depois de have, use o particípio said.

They have said yes to the plan. — Have said está no presente perfeito.

Notes

Pronúncia Said se pronuncia /sed/ e rima com bed. Says se pronuncia /sez. A vogal das duas formas é diferente da de say*.

Say ou tell? Use say para mencionar as palavras ditas: She said hello. Use tell quando indicar a pessoa que recebe a informação: She told me the news. Diga tell me, não say me.

Common mistakes

He sayed hello. → He said hello. — O passado é said, nunca sayed.

She said me the answer. → She told me the answer. — Para indicar diretamente a pessoa que ouve, use tell me, não say me.

He say it is late. → He says it is late. — Com he, she e it no presente, use says.
