

Passado de speak em inglês: spoke e spoken

O verbo speak é irregular. Use spoke para uma ação terminada no passado. Use spoken depois de have ou has.

Base	speak
Past	spoke
Past participle	spoken
3rd person / -ing	speaks / speaking

Examples

I speak English with my teacher. — Use speak com I, you, we e they no presente.

Do you speak Spanish at home? — Depois de do usa-se a forma base speak.

She spoke to the manager yesterday. — A palavra yesterday indica uma ação passada e terminada.

We spoke on the phone last night. — A forma spoke expressa o passado; não precisa de have.

I have spoken to him twice this week. — Depois de have usa-se o particípio spoken.

They have spoken to their neighbor about the noise. — A estrutura have spoken é o presente perfeito.

Notes

Speak ou talk? O verbo speak é um pouco mais formal e usa-se com idiomas: speak French. O verbo talk é mais informal: talk to a friend. Os dois levam to: speak to the teacher, talk to the teacher.

Spoke não é o particípio A forma spoke é só o passado simples: I spoke to her. Depois de have ou has usa-se spoken: I have spoken to her.

Common mistakes

I speaked to her yesterday. → I spoke to her yesterday. — O verbo speak é irregular: o passado é spoke, não speaked.

She has spoke to the teacher. → She has spoken to the teacher. — Depois de has usa-se o particípio spoken.

He has spoken to me last week. → He spoke to me last week. — A expressão last week indica um momento terminado, então usa-se o passado simples spoke, sem have spoken.
