

Passado de think em inglês: thought

O verbo think é irregular. Seu passado e seu particípio são thought. A forma thinked não existe.

Base	think
Past	thought
Past participle	thought
3rd person / -ing	thinks / thinking

Examples

I think it is a good idea. — Think expressa uma opinião no presente.

What do you think about this film? — Depois de do, use a forma básica think.

She thought the test was easy. — Thought é passado simples e dispensa auxiliar.

We thought about moving to the city. — Think about pode significar refletir sobre uma ideia.

I have thought about it a lot. — Depois de have, use o particípio thought.

He has thought of a new name for his dog. — Think of pode significar ter uma ideia.

Notes

Think of ou think about? Think about pode indicar reflexão prolongada: I am thinking about my vacation. Think of pode significar lembrar ou ter uma ideia: I cannot think of his name. Para pedir uma opinião, as duas expressões funcionam.

Pronúncia Thought se pronuncia /θɔ:t/ e rima com bought. As letras gh são mudas.

Common mistakes

I thinked about it. → I thought about it. — O passado é thought, nunca thinked.

She has think of a plan. → She has thought of a plan. — Depois de has ou have, use thought.

I am thinking it is good. → I think it is good. — Para expressar uma opinião geral, normalmente use think, sem -ing.
