I love Sundays. We have lunch at my grandma's house. My dad and my brother are there too. Grandma likes cooking. She makes chicken and rice.

There is some bread on the table. There is a big salad too. My brother hates salad, but he loves chicken. I like rice with some tomatoes. The chicken is very good.

There isn't any fish today. Grandma has a cake for dessert. I drink some water, and my dad drinks juice. We are all very happy.
